

# 2023 Healthcare Recognition Dates: Don't be Caught by Surprise!

written by HR Banana

August 15, 2022

Here is the list of healthcare recognition dates for 2023! With your help, it has become much more comprehensive. It includes dates for employee recognition as well as dates for recognition and awareness of medical conditions/diseases.

Why are medical conditions included since this blog is directed at HR professionals? I am glad you asked. Medical awareness dates have been included because: (1) several HR leaders shared that they try to tailor employee wellness communications around these dates, (2) many non-HR departments (marketing, nursing) were using our list.

The information is organized by month as follows:
