

# Another HR blog!

written by HR Banana

May 31, 2019

Welcome to HR Banana. While aimed at HR professionals in the healthcare delivery systems, we enthusiastically welcome input from all industries. Cross fertilization is good! I have been saving a few weeks of posts to at least start it off with some interesting content so posts will come at a slower pace in the future. The “About” and “High Performance HR” really tell you what we are about. Talk to the banana - contribute, argue, debate, suggest!
