

Poll: Federal Minimum Wage

written by HR Banana

August 7, 2019

There is a lot of discussion on the federal minimum wage of \$. It has not been changed since 2009. The suggestions run the gamut from increasing it to a “living wage” to getting the federal government out of the wage determination business. Vote to see how others are responding. Feel free to add comments as to why your vote is the right one!

What should be done with the federal minimum wage?
